### REMARKS/ARGUMENTS

This application was filed on 12/26/2003 for all three inventors by the signing of a declaration by two of the three inventors whose location was known to the assignee at that time. The location of the third inventor was unknown at that time but diligent efforts were being taken to ascertain his whereabouts and procure his signature on a declaration.

On April 22, 2004 this attorney of record inquired of the assignee's Spanish patent counsel regarding the delivery of a declaration signed by Sr. Alex Subirates Sole the missing inventor. The Spanish patent counsel replied that the address of the missing inventor Sr. Alex Subirates Sole, a citizen of Spain residing in Spain had been found by the assignee's (Lear Corporation) employees. Assignee's Spanish patent counsel couriered a second letter requesting Sr. Subirates Sole to execute a declaration for filing the case in the US Patent Office, including a copy of the application as filed in the United States on 12/26/2003, to Sr. Subirates Sole (a copy of the cover letter submitted herewith as Exhibit A) at the discovered address on August 18, 2004.

On October 4, 2004 this attorney of record was informed by assignee's Spanish patent counsel by email dated October 04, 2004 that the letter, formal papers, and copy of the application as filed in the U.S., to Sr. Subirates Sole had been sent on August 18, 2004 and was delivered to Sr. Subirates on August 23, 2004 (a copy of the Spanish patent counsel's statement is submitted herewith as Exhibit B) (a copy of the front and back of the delivery confirmation receipt submitted herewith as Exhibit C) but that Sr. Subirates Sole had refused to respond.

Sr. Subirates Sole continues to refuse to respond to the letter requesting him to sign a declaration for filing in the US Patent Office for this case. He has also refused to contact the assignee Lear Corporation or the Spanish patent counsel up to and including the present day.

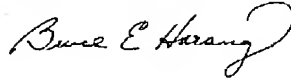

Applicants have undertaken diligent efforts to contact and have Sr. Subirates Sole sign a declaration for filing in the US Patent Office. However, Sr. Subirates Sole refuses to execute such document.

Sr. Subirats Sole's last known, and apparently present, address is C/ Rosello 14, 43500 Tortosa, Tarragona, Spain as can be seen from Exhibits A & D.
